WELLSTAR COLLEGE OF HEALTH  
AND HUMAN SERVICES

## COLLABORATIVE RESEARCH SYMPOSIUM

Faculty members in both colleges learn about one another's research interests, discover commonalities, and establish opportunities for collaboration.

**March 20th**

Oral Presentations  
10:00 AM-11:30 AM

Open Discussion + Q & A:  
11:30 AM - 12:00 PM

**Engineering Technology Center  
Q-106**

Faculty whose research interests might intersect with or benefit from interdisciplinary collaboration in engineering, health sciences, and related disciplines are invited to present. All faculty and student researchers in both colleges are welcome to attend.

Oral presentations will be selected based on recent research activity and output of the faculty members. 5 minutes of presentations followed by 1-2 minutes of Q&A.
